Title: Leave and Attendance Policy

Version: 2.0

Department: HR

Effective Date: 2026-09-01

Scope: This approved Leave and Attendance Policy applies to HR workflows and supports role HR Executive.

Requirement 1: Employees must complete the annual policy acknowledgement within 30 days of joining. For HR Executive, this requirement applies to onboarding and role execution.

Requirement 2: Employees must use approved company systems for organizational work and records.

Requirement 3: Managers must review mandatory onboarding completion before independent work begins.

Requirement 4: Required training must be completed before access to restricted workflows is granted. For HR Executive, this requirement applies to onboarding and role execution.

Requirement 5: The employee should document exceptions using the approved internal process.

Requirement 6: Mandatory records must be retained according to the current company retention schedule.

Requirement 7: Role holders must escalate unresolved exceptions through the documented escalation path. For HR Executive, this requirement applies to onboarding and role execution.

Requirement 8: Employees must protect confidential company and customer information from unauthorized disclosure.

Exception: A documented manager-approved exception may apply where the current approved policy explicitly permits it.
